

US Environmental Protection Agency Office of Air Quality Planning and Standards Air Quality Resources

| | |
|---|--|
| <p>Air Compare - compares air quality information to help people make informed decisions about moving, vacationing or living in different areas of the country.</p> | <p>www.epa.gov/aircompare</p> |
| <p>AIRNow Student's Web site –provides students and teachers information about ozone, particle pollution, and the Air Quality Index using animations; serves as a portal for Smog City 2.</p> | <p>http://www.airnow.gov/index.cfm?action=student.main</p> |
| <p>Air Quality Awareness Week Event Planning Kit–provides information and materials to help you plan and execute outreach in your area.</p> | <p>www.epa.gov/airnow/airaware/resources.html</p> |
| <p>Air Quality Management Online Portal - website that describes the components of an air quality management system and includes links to information, tools and resources from EPA and non-EPA websites.</p> | <p>www.epa.gov/air/aqmportal</p> |
| <p>Air Pollution: What's the Solution – an on-line interactive curriculum for grades 6-12 that uses real time data to guide student's discovery of the science behind the causes and effects of air pollution.</p> | <p>www.epa.gov/airnow/airaware/resources.html</p> |
| <p>Air Pollution Training Institute (APTI) – Training opportunities for state/local/tribal agencies. Includes self-instructional courses, and a calendar of classroom courses offered around the country.</p> | <p>http://www.epa.gov/apti/</p> |
| <p>AQI (Air Quality Index): A Guide to Air Quality and Your Health – This booklet explains EPA's Air Quality Index (AQI) and the health effects of major air pollutants.</p> | <p>http://www.airnow.gov/index.cfm?action=pubs.index</p> |
| <p>AQI Educational Toolkit for Weathercasters - designed for weathercasters who make educational presentations to schools and civic groups.</p> | <p>www.airnow.gov/index.cfm?action=tvweather.main</p> |
| <p>APTI On-Demand Video Training – videos and supplementary materials provide training and regulatory updates to state/local/tribal agencies.</p> | <p>http://www.epa.gov/apti/broadcast.html</p> |
| <p>BurnWise –partnership program web site that emphasizes the importance of burning the right wood, the right way, in the right wood-burning appliance.</p> | <p>www.epa.gov/burnwise</p> |
| <p>Effects of Common Air Pollutants - Poster – 18"x 24" poster depicts/illustrates respiratory and cardiovascular effects of air pollution and symptoms; available in English and Spanish</p> | <p>Order from NSCEP Document # EPA-452/F-04-001 www.epa.gov/airnow/health-prof/EPAposter2008_LR.pdf</p> |
| <p>EnviroFlash - provides air quality information, forecasts and action day notifications via email.</p> | <p>www.enviroflash.info</p> |

| | |
|--|---|
| EnviroFlash PSA's – Live-Read Public Service Announcements on protecting health by using EnviroFlash. | www.airnow.gov/index.cfm?action=static.partners state |
| How Smoke from Fires Can Affect Your Health – explains health effects of smoke, who is more susceptible and how to protect yourself. | Order from NSCEP Document # EPA-452/F-02-002 http://www.airnow.gov/index.cfm?action=smoke.index |
| Ozone and Your Health Brochure – describes ozone, the risks, health effects, symptoms and how to avoid exposure. | http://www.epa.gov/airnow/ozone-c.pdf |
| Ozone Web based training for health professionals - helps health care providers advise their patients about exposure to ozone. | http://www.epa.gov/o3healthtraining/ |
| Ozone Web site – provides information on ground level ozone including health information, national ambient air quality standards and implementation. | http://www.epa.gov/glo/ |
| Particle Pollution and Your Health Brochure describes particle pollution; risks, health effects, symptoms and how to avoid unhealthy exposure. | Order from NSCEP Document # EPA-452/F-03-001 http://airnow.gov/index.cfm?action=particle.cover |
| Particle Pollution Web site - provides information about particulate matter including health information, national ambient air quality standards and implementation. | http://www.epa.gov/pm/ |
| Picture Book for Children – “Why is Coco Orange” Coco and his friends solve this mystery as they learn about air quality. | www.airnow.gov Order from NSCEP Document # EPA-456/K-10-001 |
| Smog City 2 - an online interactive simulator that demonstrates how emission sources, population and weather affect air quality. | www.smogcity2.org |
| Strategies for Reducing Residential Woodsmoke – comprehensive list of strategies (voluntary and regulatory) to help communities reduce wood smoke. | http://www.epa.gov/ttn/oarpg/t1/memoranda/strategies-doc-8-11-09.pdf |
| The Plain English Guide to the Clean Air Act provides brief introduction to the 1990 Clean Air Act and helps you understand what is in the law and how it affects you. | Order from NSCEP Document # EPA-456/K-07-001 www.epa.gov/air/caa/peg/index.html |
| 10 Things Kids Can Do to Help the Environment Bookmark – gives clear, concise messages; colorfully illustrated | www.airnow.gov Click on Teachers |
| Understanding Air Toxics - Video provides an overview of EPA’s regulatory approach to reducing the emissions of hazardous air pollutants; describes sources, effects and risks. | http://www.epa.gov/apti/broadcast07.html#uat |
| Wood Stove Change Out Guide - a voluntary effort to help state, local and tribal agencies put campaigns into place that change out old/dirty wood stoves with new, cleaner-burning appliances | http://www.epa.gov/burnwise/how-to-guide.html |
| Wood-fired Hydronic Heaters Fact Sheet – a voluntary program to encourage manufacturers to produce cleaner OWHH models and encourage people to buy cleaner models. | http://www.epa.gov/burnwise/pdfs/HH-flyer10-21-08.pdf |
